

# SPONSORSHIP PACKAGES 2022

The White Hat Ball is an annual sell-out event for the Information and Cyber Security Industry. The event is attended by over 650 guests and has become regarded as an exciting, social and unmissable evening in the industry's calendar. Established in 2004.

## WHY SPONSOR THE WHITE HAT BALL?

Organised by a group of volunteers from the Cyber Security industry and established in 2004, to date the event has raised over two million pounds for the NSPCC's vital service, Childline.

As an official White Hat Ball sponsor you will be directly supporting Childline, the NSPCC's service providing a safe confidential place for children with no one else to turn to, whatever their worry. Children can contact Childline 365 days a year and on average, a child contacts Childline every 25 seconds. It costs £30,000 a day to run Childline and your support as a White Hat Ball sponsor will ensure that children's voices can continue to be heard.

Sponsoring this event provides a unique opportunity to promote your brand in a room full of security leaders and professionals, as well as some of the largest and best-known companies in the sector. By becoming a White Hat Ball sponsor your brand will be promoted not only at the event, but also on the White Hat Ball website and social media platforms.

There are many great benefits to collaborating with the NSPCC and Childline. As an official sponsor, you will be able to publicly display your support of our highly motivating cause. You will also be aligning your company with the NSPCC's brand, which has a 97% brand-recognition rate.
